CRISPY ONIONS

Fresh Gourmet® Crispy Onions are ready to use crunchy toppings that are exceptionally versatile — the serving possibilities are endless! Delivering a tasty natural onion flavor and crispy crunch appeal, they add excitement and interest across the menu — breakfast, lunch and dinner.

Features

Benefits

Taste & Flavor

- Premium onions prepared with highest quality safflower and/or sunflower oil
- Sweet natural onion taste with 0g of Trans fat

Texture & Appearance

- Lightly flour-dusted and gently fried using our unique patent pending manufacturing process
- Consistent crispy, crunchy texture and toasty golden color

Versatility

- Onions are the most widely used vegetable ingredient with unlimited uses
- Endless serving possibilities, adding excitement and interest to all day parts

Convenience

- Ready to use
- 100% yield
- No prep time needed

Packaging

- Colorful fresh-lock resealable 10 oz bag
- Single serve*
- Maximum freshness - 9 month shelf life, meets back of house and take out needs.

Consumer Acceptance

- Fresh Gourmet is the #1 brand of salad toppings in retail produce departments
- Product performance is proven by consumers at home so operators can serve with confidence
